Explanation -

Item 1: Amends the title of HB 830 for an earlier omission (per discussion of the conference committee) and the addition of a grant for the Cowboy Hall of Fame.

Item 2: Reduces the COT Long-Range Planning LRBP appropriation by \$500,000.

Item 3: Reduces the GF OTO by the amount of the amendments, \$1.5 million.

Items 4: Amends the title for the Cowboy Hall of Fame grant, and reduces the Virginia and Nevada City LRBP appropriation by \$1M.

Item 5: Item 5 provides a GF OTO appropriation of \$500,000 to the Department of Commerce for a grant to the Cowboy Hall of Fame.

Item 5 (continued): The second part of this item would provide a \$900,000 appropriation of orphan share funding for the remediation of the Bozeman City Library site. This appropriation would supplement an appropriation of \$1,500,000 currently in HB 820.

Items 6, 7: Provides that if the federal government will provide 100% of the funding for the readiness center in Miles City, then of the LRBP funds that are not used, \$80,000 is appropriated to the Veteran's Museum facility improvements and \$2.4 million must be transferred to the general fund. This is a total conditional reduction of \$2.4 million of LRBP funds.
